2022 Edition

The Grand Royal Arch Chapter of  
Massachusetts, Inc.

As amended October 25, 2024

CONSTITUTION  
OF THE  
Grand Royal Arch Chapter of Massachusetts

PREAMBLE

Capitular Masonry is a charitable, benevolent, educational and religious society, adhering to its own peculiar ancient customs and rituals, including the ancient Landmarks of Freemasonry. The methods of recognition and of symbolic instruction are secret and thereby a test of membership is provided, though a Companion be traveling in foreign countries and among those who would otherwise be strangers.

It is religious in that it teaches monotheism, the Volume of the Sacred Law is open upon its altars whenever a Chapter is in session, worship of God is ever a part of its ceremonial, and to its neophytes and Companions alike are constantly addressed lessons of morality; yet it is not theological. It is educational in that it teaches a perfect system of morality, based upon the Sacred Law, by a prescribed ceremonial.

It is benevolent in that it teaches relief of the poor and distressed as a duty and exemplifies the duty by relief of sick and distressed Companions and their widows and orphans.

It is charitable in that none of its income inures to the benefit of any individual, but all is devoted to the improvement and promotion of the happiness of mankind.

It is a social organization only so far as it furnishes additional inducement that men may foregather in numbers, thereby providing more material for its primary work of training, of worship, and of charity.
